

# DID YOU KNOW?

**41,000 NON-SMOKERS DIE** from secondhand smoke exposure every year in the U.S.<sup>1</sup>

***Tobacco-Free Policies In Outdoor Areas  
Create Healthier Communities!***

**Tobacco-Free Policies in Outdoor Areas Can:**

- Promote healthy lifestyles and set a good example for children.
- Create a cleaner and safer environment with less tobacco litter and fire risk.
- Protect people from secondhand smoke which weakens the immune system and can make a Coronavirus infection more severe.<sup>2</sup>
