

How to Store Your Cannabis

TIPS TO KEEP YOUR CHILDREN AND PETS SAFE

The age of first use for cannabis is 13.3 years old (Fresno County Student Insights Survey 2018-19)

Did you know that 12% of youth said they get cannabis from their parents and 25% said they get it from other adult family members? (FCSIS 2018-19)

ADULT FAMILY MEMBERS

Be responsible for your cannabis by using a lock box or locked drawer and secure your marijuana every time.

Keep cannabis products in their original packing in a place that is out of your child's and pet's reach.

Marijuana is not legal for youth under the age of 21, but they may experiment with marijuana or be exposed to it during adolescence. Take the opportunity to discuss marijuana in an open, honest and non-judgmental way. Have discussions about substance abuse early and often using accurate, credible sources. For more information go to www.drugabuse.gov.

In the last 12 months only **52%** of youth had their parents talk to them about cannabis (FCSIS 2018-19)
