El Dorado, Placer, Sacramento, Sutter, Yolo, and Yuba Counties

Our Mission

MSSP provides care management to frail older participants who are certifiable for nursing facility placement but wish to remain living in their home. The goal of the program is to monitor and provide support and services to prevent or delay institutional placement. Services are provided through professional assessments and linkage to existing community resources and care coordination.

Eligibility Criteria

- Must be 65 years or older at time of referral
- Receives Medi-Cal with eligible aid code
- Benefits from assistance with 3 or more daily living tasks (eating, dressing, transferring, bathing, toileting, grooming, and mobility)
- Reside in El Dorado, Placer, Sacramento, Sutter, Yolo, or Yuba County.

Referral/Enrollment Process

- Anyone can make a referral by phone
- There may be a waitlist; ask at time of referral
- The referral will be screened for eligibility and assigned to a Social Worker Care Manager and Nurse Care Manager.
